

ONE STOP POINT
for all the industrial products needs

More than
10 years
of experience in GCC

About Us

Industrial Tools & Welding Supplies is a ONE STOP SHOP for all your industrial, welding, cutting, machining and safety needs. We are offering to our customer the fastest delivery to full fill their emergency needs and keep the best prices in order to serve them the economical way.

Our technical sales team is equipped to attend all your technical enquiries, analyse, and recommend the right product suiting to your application need. 10 years in GCC has made us to understand the daily needs of our customer and the market, and our Operations & Logistic teams are equipped to meet the market urgencies.

Over a period of time we have added more brands to our portfolio and today we are partnered with companies who are the "Market Leaders" in their own segments. Starting from the preparation area till the welding & cutting we offer the complete range of products and solutions.
